

CHARITY DONATIONS

Booth Number _____

Don't feel like shipping your product displays back?
Please Donate them to charity.

Once again, arrangements are in the works to select a local charity that can benefit from donations we receive from you at the close of The McKesson ideashare Conference.

If you would like to donate your product displays to charity after the show, all you will have to do is simply leave the unwanted items in your booth labeled with one of the provided "Charity Donation" Stickers and our selected charity will collect them.

More information will be provided to you onsite, so stay tuned.
